### **LC3 Draft Local Authority Statement of Licensing Policy 2020 - 2025**

Considered the report of the Head of Operations which requested the Licensing Committee to consider the draft "Statement of Licensing Policy" and to note its contents.

The Committee were informed that the draft Policy was out for consultation from 24 August to 5 October 2020 and the Council had received no specific consultation responses. As a result it was proposed that the draft Statement of Licensing Policy be implemented as drafted, save for changes to the Foreword by the Cabinet Member and an update to the Consultation paragraph at Section 2.

The Committee discussed the following aspects of "Statement of Licensing Policy" with the Cabinet Member - Environment Portfolio, the Head of Operations, the Legal Services Manager and the Licensing Manager:-

- The monitoring of personal licences
- The definition of licensable activities
- An explanation of white-collar boxing
- Clarification of the permitted number of late Temporary Event Notices

RESOLVED:- that in exercise of the powers delegated to the Committee, the draft "Statement of Licensing Policy" be noted.
